

SAMOA

Membership Meeting

June 14, 2007

Location: Coco's Restaurant, Sacramento

Call to Order: 7:00 pm

President – Robin George

Robin welcomed everyone for coming and asked what the temperature was. (102)
He introduced the Board members with the exception of Jack Parker who is on vacation. When introducing Jeanne, he made an oops and said my wife Sandy. Mike then asked Jeanne if Robin's ex wife, Sandy was present. Ha Ha.
Our meeting will be short this month so that we can adjourn to the parking lot for a swap meet.

Ron Petrich made the auto cross trophy awards for Jack Parker.

Overall Club Champion

Andrew Melicharek 71.644

Fastest vehicle was a go cart at about 62 seconds and a corvette at 67 seconds.

Ron reports that the forum is still being worked on. We would like everyone to submit their birth dates but not the year.

Robin reports that the run to Kirkwood was great but don't order the Pioneer Special, the pancakes were two feet wide.

There is a link on the web site in remembrance of Gene Leininger. His memorial service was impressive with the Naval Honor Guard. Jan thanked everyone for their help.

Technical

Robin reports he had a spark plug blow out of his engine. It's always a good thing to check. No one wants to touch wire spoke rims due to the liability issues but Robin found the Hancock Tire Center in West Sacramento will do it.

Crazy Red says if you hear a high pitch before the car warms up it is in the fatal idle group. Be sure to watch the temperature gage in the summer time. Robbins now has a streamline top with different fabric cuts, plastic or glass windows, no zippers and several colors. He then gave us a sample of the sound his air horns make.

Robin

Now that Paris Hilton is off the streets, we can all feel safe. Have you all watched all 81 episodes of the Sopranos?
