Items for discussion:

Ron had read an article on street racing in Elk Grove and thought it might be something that we might be interesting in getting involved in – the problem, not the activity! He contacted Officer Misty Dailey, who is part of the Elk Grove Police Dept, but now assigned to a task for with Sacramento County. He asked if there was something as a club that we could assist with concerning the problems with street racing and offered our assistance. Officer Dailey is referring our offer to the task force and we will see what happens. There are many ways we could assist- helping with show and shines, an autocross or whatever to redirect the kids from the streets to constructive driving.

Jeanne presented a current accounting of our fund- looks especially good due to all the Got Guts funds that are sitting there waiting to be paid out.

Robin adjourned the meeting at 5:0 pm.
