

Sacramento Area Miata Owners Association

Regular Monthly Meeting

February 9, 2017, 7:00 PM

President Robin George called the meeting to order and introduced the founding members, past presidents and lifetime members present.

The club has a new private Facebook page for members only. The name is **Sacramento Miata Club** and all members are encouraged to join. This group is intended for car stuff only, so post stories or information that would interest other SAMOA members. Also, if you could use some advice about your Miata, someone on the page will probably be able to help you.

To join, please submit a request to jeanne@winfirst.com and give her your Facebook user name. One of our administrators will add you to the group.

2017 Miata RF

Matt Hendricks from Elk Grove Mazda brought the new 2017 Miata RF to our meeting. Matt was with us at the 25th Anniversary and is always very engaging and informative. He showed us the car's new features. The new hard top is especially impressive.

In March, Maita Mazda will be bringing an RF to our meeting, so be sure to attend and get a look at the latest version of our favorite car!
