

SAMOA Member Meeting 2-14-2013

President Robin George opened the meeting at 7pm to the song 'Wild Thing' by the Troggs in memory of their lead singer Reg Presley who passed away earlier this month, and then welcomed guests Denise, her father, and Graeme & Sharon.

Graeme talked about being at the Super Bowl run, he appreciated how well it was done, he appreciates the SAMOA BOO and the great job they do for the club, and thanked the love of his life, his wife Sharon, noting that they met on a Miata run.

Robin mentioned that on the Super Bowl run they tested out 2 high powered radios. They had a 1 – 2 mile range, worked well, and they can be synchronized to our family radios.

Robin then introduced the BOO, including newest official voting officer, at least for this term, the Newsletter Editor Jennifer Sipe. He then introduced lifetime members and past presidents.

Jeanne George gave the treasurers report, hats are available for \$6 each, 9 etched wineglasses left \$4 each, and decals for \$1 each. There is a 1990 Red Miata for sale, 1 owner, 8,700 miles, check the SAMOA classifieds page. The end of year budget shows us having a \$195 balance, so we're doing good.

Margie presented the Member report, 128 Memberships, 212 members, and 143 Miatas.

Ron gave the monthly password, told a couple bad jokes.

Diana discussed Events:

Everyone is welcome to join in and come with us for lunch. RSVP to Jack Parker at culdad@svics.com.

Ron reported there is now a button on the website for Auto Geek, the club will receive commissions on the sales through our site. Also looking into this with Harbor Freight and Auto Zone if they agree, we are trying to build relationships with these vendors to get commissions for the club.

Ellen introduced new member Steve Diamond, a bad motor-home experience led him to indulge his wife's wishes for a little red sports car, they got a '90 Red Miata with low miles, they call it Lil' Red.

Also introduced was Carlen de berry, his daughter Heather has been trying to get him to buy a Miata. Currently he is borrowing her '92 Red.

Jennifer encouraged the club to read the newsletter, check out the article on St. Patrick, encouraged someone to write about the Super Bowl Run, and then shared a cute article about 4 – 6 year-olds views on love.

Robin encouraged us to send comments to Jennifer for the newsletter regarding what you like and dislike about the club.

Crazy Red encouraged us to get out there and go on more runs. He also noted that he knows of another '90 red for sale that is a daily driver, runs good.
