

Sacramento Area Miata Owners Association
BOO Meeting

December 12th, 2019, 6:00 PM

The officers met before the regular club meeting at Black Bear Diner.

Board Members Present: Martin Boersma, Michele Nanjo, Diana Loo, Ron Petrich, and Norm Swanberg

OLD BUSINESS

30th Anniversary

The board received 25 responses to the questionnaire Ron sent out last month. Based on those responses it appears that about 20 members are very interested in attending the 30th anniversary event. A large majority of responders want a 2-night event and are willing to travel 100+ miles, spend \$150 on a hotel room and \$100 on food and other events. As for events that are “very important” or “must haves”, a Saturday banquet, Friday reception and Saturday run were the ones most people want.

Given these parameters, the board agreed to expand our hotel search to include the ski resorts, casinos in the foothills and to expand the window of time when we might hold the weekend event. The board agreed that August might be a good time since the ski resorts shouldn't be busy and may offer us better nightly rates.

Ron volunteered to contact the ski resorts and Martin will check back with Black Oak regarding our new dates.

NEW BUSINESS

Newsletter Editor

Since no one is running for this position, and assuming no one volunteers during the regular meeting, Ron has volunteered to take over as newsletter editor.
